Fair Weather Predicted For

109 YEAR RECORD OF RAIN TOPPED

Property Damage Will Prob-
ably Exceed Three Mil-

Isolated

ST. LOUIS, Aug. 17.—(INS)—
Fair weather for the St. Louis
area was forecast by the weather
bureau today as estimates of
damages caused by record tor-
rential rains were revised sharply
upward.

Occasional thunderstorms were
predicted for last night,
but did not materialize. The
new forecast was welcomed by
residents of the area as they
started to repair damage to their
homes and businesses.

Exceeds \$3,000,000

Damage to property and crops was
expected to exceed \$3,000,000. Flash
floods, caused by the heaviest down-
pour in the 109-year history of the
St. Louis weather bureau, made
more than 2,000 families homeless
in the area, halted some industrial
operations and resulted in possibly
two deaths.

Every newspaper gets anonymous
letters. And every newspaper, or
nearly every one, tosses anonymous
communications into the waste ba-

received several anonymous letters
in which the writers have teed off
with some billingsgate against of-

and promptly filled the waste basket.
Letters bearing the signature and

Pa New came upon a novelty last
night, such as he hasn't seen for a
good many years. It was a cucumber
inside of a narrow month jar. Grown
by Mrs. Harrison Pitts of
Mt. Jackson, the cucumber was put
in the jar when very small and
while still on the vine. It continued
to grow till it filled the jar. A little
alcohol was put in the jar to pre-
serve the pickle and the jar sealed.
The Pitts family have had the nov-
elty for over two years.

To protect pedestrians from being
hit by automobiles, a fenced board-
walk has been erected along side
of the Leslie hotel building on
North Mercer, where the construction
is in progress at the present time.
The northeast corner of the build-

Contractors around the city, who
have been fortunate enough to get
some building work under way, are
having excellent weather for out-
side work, as far as their trade is
concerned. On the other hand,
farmers of the area are hoping and
praying for enough rain to save the
late crops.

Court Upholds 'Barmaid' Law

JOHNSTOWN, Pa., Aug. 17.—(INS)—
The Cambria county court today

which prohibits the employ-

The case was brought to court

hiring women as bartenders.

Judge George W. Griffith handed

Porter Predicts Food Price Hike Despite Control

Reduction Of Food Subsid-
ies Will Result In Price
Increases Says OPA
Head

By WILLIAM UNSTEAD
(U. S. Staff Correspondent)

WASHINGTON, Aug. 17.—Price
Administrator Paul Porter today
predicted increases in some food
prices are restored on basic food
commodities next Wednesday.

Porter in an address over the ABC
network said that he did not know
what the price decontrol board
would do about restoring ceilings on
livestock, grain, dairy products, soy-
bean and cottonseed products. But,
he added:

"In any case the amount of money
that can be paid out as food sub-
sidies, in the event of restoration of
some food controls, has been drasti-
cally reduced.

"Reduction or elimination of sub-
sidies is bound to result in price ad-
justment for some foods."

The decontrol board, meanwhile,
dropped the curtain on the sub-
mission of evidence and began closed
sessions to determine whether rel-
ief should remain off the basic
food commodities after Tuesday.

Chairman Roy L. Thompson an-
nounced that the board will reveal
its decision Tuesday night and that
any speculation on the outcome of
its deliberations will be "pulled out
of thin air."

Must Act

Unless the board acts by the dead-
line to either retract or continue
denial of the commodities, they
automatically go back under cel-
lings at midnight Tuesday.

There were indications that the
board would restore controls on at
least some of the commodities under
present consideration. The con-
cern of its members over the supply

Shippers Deny Strike Cripples Many Lake Boats

Carriers Association Says
299 Of 316 Lake Vessels
Are Operating

STRIKE WILL LAST
"UNTIL ICE COMES"

DETROIT, Aug. 17.—(INS)—
Great Lakes shipping operators
today denied an assertion by the
striking seamen that the two-
day walkout was crippling lake
traffic and fast becoming effec-
tive.

The Lakes Carriers Associa-
tion claimed that 299 of its 316
vessels still were in operation,
and Association President A. T.
Wood said that only 5.5 per cent
of his organization's vessels were
tied up by the strike.

"Till Ice Comes"

Joseph Curran, president of the
striking National Maritime Union,
CIO, had announced earlier that
106 ships already were tied up by
the strike, including 73 with NMU
contracts and 25 unorganized craft.
Curran estimated that 2,500 NMU
members were out, in addition to
1,500 non-affiliated seamen. He
declared:

"We are prepared to wage the
strike, if necessary, until the ice
comes in this fall and then we'll re-
cess until the ice goes out and re-
sume it again."

The strike was called at 12:01 a.
m. Thursday to enforce demands
for a shorter work week and other
improvements in working condi-
tions.

NMU headquarters in Detroit re-
fused to comment on a report from
Cleveland, Ohio, that Curran had
rejected an offer by two companies,
the Bethlehem Transportation com-
pany and the Standard Oil com-
pany of Indiana, to settle the strike.

Curran was unavailable for com-
ment. Union spokesmen said he
had been up for more than 30 hours
directing the opening phases of the
walkout.

State Qualifies For Lunch Plan

School Head Signs Agree-

Federal School Lunch

HARRISBURG, Aug. 17.—(INS)—
Pennsylvania schools were eligible
today to participate in the \$75,000-

State Superintendent of Public In-
struction Francis B. Haas has signed
an agreement with representatives
of the U. S. Agriculture department
establishing the department adminis-
trator of the plan for Pennsylv-
vania.

More than 1,800,000 students in
the state were expected to benefit
from the program. A \$3,444,788 al-
location has been earmarked for aid-
ing school districts provide lunches
for youngsters during the next
school year.

The commonwealth will contribute
only administrative costs, estimated
at \$10,000 for the first semester.
Special funds would have to be ap-
propriated by the general assembly
to enable the state to match and
federal allocation.

Reimbursement rates were two
cents for a half pint of milk, of-
fered as a supplemental food item
by some schools, six cents toward
an "incomplete" lunch consisting of
a sandwich, soup or salad, or simi-
lar dish, and nine cents for complete
lunches, according to Clyde A. Zeh-
ner, federal representative.

He termed the program "the first
step toward establishing a compul-
sory nutrition standard hand in
hand with compulsory education in
Pennsylvania."

Leaders of several AFL unions
engaged in the maritime trans-

new group following a series of

Metropolitan Opera May Not Open—Union Wants Hire-Fire Right

NEW YORK, Aug. 17.—(INS)—Seven thousand season subscribers were informed today that the Metropolitan opera may not reopen this fall because of union demands in behalf of choristers, ballet dancers and soloists.

George A. Sloan, chairman of the board of the Metropolitan Opera Association, wrote the subscribers: "The board feels that we would render a greater public service at this time if we refuse to give opera rather than surrender to the union the right of management to determine the number and professional competence of singing artists."

Sloan reviewed a protracted dispute with the American Guild of musical artists over management's proposal to reduce the chorus from 94 to 76, retaining 16 with "generous severance pay."

He added that the union countered the proposal with a demand that the final decision on hiring and firing rest with the board of governors of the AMGA.

Sloan said that the union's demand for wage increases, choristers, soloists and ballet dancers "is a completely beyond our means."

The 300 artists involved will meet Wednesday to determine the union's further course in the negotiations.

In Touch
The world's most modern communication marvels—radio telephone and radio high-speed types—kept him in constant touch with the White House, and thus with the affairs of the nation, the progress of the Paris peace conference and the still-troubled areas of the world, in Europe and the middle east.

Uppermost in the president's mind were two great international problems—the paramount one of bringing a firm peace back to a war-shattered world, and one facet of it, the vexing, explosive, Palestine situation.

Domestic troubles, too, played their part in his range of the morning review of the national and international scene, brought to him at breakfast-time direct from the central intelligence authority in Washington.

Happily, however, the domestic turmoil of the past year since the war ended, was eased for the moment, and temporarily, at least, almost serene.

As much as the president could under these circumstances, he relaxed and rested. The strict regimen for the next 18 days will be rest, rest, rest.

Hope For Ruling To Sidestep OPA Milk Price Control

HARRISBURG, Aug. 17.—(INS)—The Milk Control commission today pinned its hopes on a possible State Justice department ruling to sidestep OPA-controlled milk prices.

Commissioner John J. Snyder reported, following a Price Decentralization hearing in Washington, that the commission had little doubt federal price ceilings would be restored and he predicted supplies would diminish.

"It was obvious by the way the board cut the time of opponents to 10 minutes and allowed proponents 30 minutes to present their cases where the sentiment lay in the matter," Snyder said.

"The CIO appeared to be in complete control of the hearing and board members were flanked on all sides by former OPA members," he added.

The State Justice department has been asked to investigate whether the state could legally ignore any future controls, Snyder said. The commission presented to the federal agency reasons why it should be the only body to regulate prices of Pennsylvania markets.

MOSLEMS PROTEST INDIAN FREEDOM PLAN OF BRITISH

(Continued from Page One)

government official said that the government is taking "all possible measures" to meet the situation.

Heavy stone-throwing continued in sections of central Calcutta during the afternoon. A row of furniture shops in the center of the city was smashed up and their contents looted.

Aroused groups of Hindus and Moslems were forming at street corners, although authorities were still directing special units in collecting bodies of the first day's victims.

In some districts of the rambling, dirty city both Hindus and Moslems have begun to organize "defense parties." They were carrying long, knobby staves.

Disperse Groups
Police dispersed several groups with gun-fire. Planes of the Royal Air Force flew over the city.

Nurses and doctors worked through the night at hospitals where an estimated 1500 persons are suffering with injuries from yesterday's "direct action" demonstrations by Moslems protesting the British plans for evolution of Indian independence.

British Tommies were out in full force in an attempt to curb new attempts at looting and arson.

Buses and street-cars were immobilized because of fear that rioters would overturn them, a general practice in Indian demonstrations.

Moslems believe that the British are favoring the All-India Congress party, regarded as the voice for 25 million Indians, mostly Hindus. The Moslem league says it speaks for 90 million Moslems.

The riots opened with general looting of shops and homes but soon led to arson. Rioters faced the danger of a conflagration capable of destroying much of the city which, except of its Europeanized downtown sector, largely is comprised of wooden shacks.

Many Jailed
An uncounted number of persons were hauled into jails and a curfew was proclaimed to clear the streets for the night.

The home of Dr. B. C. Roy, a prominent Congress party leader and one of Mahandas Gandhi's physicians, was set afire.

The riots and work-stoppage, or "hartal," came simultaneously with an announcement by Congress party President Jawaharlal Nehru that he had accepted a British invitation to form an interim government for India without including the Moslems.

London, Aug. 17.—Reuters carried a dispatch from Ahmedabad, India, today stating that Pandit Nehru, Congress party president, intends to proceed with formation of a government despite the Calcutta outbreaks.

Nehru said "our program for forming an interim government will certainly not be upset because a few persons misbehave in Calcutta."

Nehru left for New Delhi to confer with Viceroy Viscount Wavell.

Tough Fight
At the same time, members of Congress remaining in Washington during the recess predicted there would be a tough fight, if not rejection, of proposals to boost immigration quotas to admit displaced persons to the U. S. which were revealed to be under consideration by Mr. Truman.

Immediately after announcing American abandonment of the Palestine plan, Mr. Truman sent a message to British Prime Minister Clement Attlee explaining that United States public opinion would not support the plan.

He outlined the so-called Goldman plan, drafted by high officials of the Jewish agency meeting in Paris and brought to him by Dr. Nahum Goldman, one of the agency's officials.

This plan proposed increasing the Jewish state in Palestine from 1,500 to 1,800 square miles, giving it complete autonomy and regulation of immigration.

Mr. Truman recommended to Attlee that it would be wise to make the Goldman plan a basis of discussion with Jews and Arabs in London.

Get Support Here
He told the British prime minister that he felt that if such a plan, or compromise thereof, should be acceptable to the Jewish agency and others, with the exception of the extremist elements in Palestine, it would receive the moral and financial support of the United States.

It was believed that the Chief Executive will continue to press for the immediate admission of 100,000 European Jews to the Holy Land. This has been a keystone of his Palestine policy and, in fact, the spot from which he jumped into the cauldron of the Near East.

The calls said he was in an adjoining booth and heard Mohn agreeing to do the job.

Later Mohn told police he came to Pittsburgh Tuesday to get a job "fixing furnaces" because he had heard that the city was becoming "smokeless." He said he stole the bag of clothing so the hotel wouldn't ask for his room rent in advance.

Mohn gave his address at 536 Elm street, Youngstown.

Scotland School Holds Reunion

Teachers And Pupils Of The Old School Gather For Their Thirtieth Reunion

At the Union High school, teachers and pupils of the old Scotland Lane school, gathered for their thirtieth reunion on Friday evening. This is the first reunion since the war period, the last being on August 21, 1941.

Mrs. Pearl McClelland, president, gave the call to supper with the class room bell of Mrs. George B. Hart, a former teacher. Harry Caven gave the invocation, before all partook of a sumptuous basket picnic dinner, with 31 present.

Pep Singing

After the repeat Elizabeth Atkinson White directed the pep singing, accompanied by Mrs. Helen Miller, the secretary. The program, in charge of Mrs. Nannie Shellenberger, was opened with the singing of "God Bless America", and "We're Glad to See You Here".

At this point, Wally Sontum of Johnstown appeared and was introduced. He gave some reminiscences, and was glad to renew acquaintances. Mrs. Elizabeth Atkinson of Canada brought greetings, said she had moved for the twentieth time. Among other things she remembered the smoky stove.

Mr. Cox, a member of the school by adoption, gave interesting quotations from poems in the old school reader, recited a number, among the poems, one by Al Kissinger. He also gave a poem quiz. Mrs. Nannie Shellenberger sang the song "That Little Black Moustache".

The memorial program was in charge of Harry Caven, who read appropriate scripture, and gave the names of those having departed this life since the last reunion, placing a white flower in the container for each as follows: Newell Robinson, Agnes Hasley, Willie McClelland, George Hart, Will Davies, Rebecca McClelland, Lewis Ted Calderwood, Roy Campbell, James T. Atkinson, Edwin Caven, Joe Carpenter, Robert Carpenter, Mrs. Kate Carpenter Caruthers.

Short Talk

Mrs. Pearl McClelland gave a short talk. Greetings were received from Miss Hattie Elliott of West Chester, Mrs. Mary Sontum Allen, East Chicago, Mrs. Elita Davies, San Francisco.

Minutes of last meeting were read by Mrs. Miller. Secretary, it was decided that the 1947 reunion would be held August 16, at Union High school. A vote of thanks was extended to all who contribute to making the reunion a success. Miss Ella McConnell was in charge of registration.

The following officers for ensuing year elected are: Mrs. Mary McClelland Craig, president; J. W. Patterson, vice president; Mrs.

Luella Dan Parshall, secretary-treasurer. Out-of-town guests were Mr. and Mrs. Harry Caven, Youngstown; Walter Southern, Johnstown; Mrs. Elizabeth Atkinson Emens, Canton, Ontario, Canada; J. P. Caldwell, this city, was present. He taught at Scotland school about 53 years ago.

Playground Craft Articles On Display

Examples of the handicraft work done at the city playgrounds during the summer is now on exhibit in the display case of the public library, proving that the youngsters got plenty of variety into their summer activities.

Besides swing ball bats and stinging treasure hunts the children have made skillful little mats and baskets of brightly colored paper and straw. One child's exhibit is a plastic bed edged in yarn and decorated with canceled stamps, while another young craftsman made a necklace and bracelet of kelly painted snail shells.

Yarn label dolls, raffia bracelets, yarn drawings on cards, a decorated cleanser can, clock faces on paper plates, note pads equipped with pencils, hot pads with colorful designs, and a change purse of straw are other items. Two bracelets are made of plastic links, one decorated with large red rings and the other with small blue cubes and an acorn. This handicraft work is part of the recreation program of teaching skills and pride in accomplishment, as well as offering fun and summer pastimes.

Thaddeus Stevens Reunion Attracts Attendance Of 300

Rain Holds Dinner Crowd Down To 200; Evening Program Brings Out Many More

Two hundred Thaddeus Stevens alumni attended the dinner and 300 attended the evening program at the school's reunion in the Cascade park grove on Friday.

In spite of threatening rain, the large crowd enjoyed visiting during the picnic supper and the after-dinner entertainment. During the evening a short memorial service honored Miss Mary Moorehead, for many years a teacher at Thaddeus Stevens.

Contest Winners

Old classmates joined in competitions and especially enjoyed a beauty contest which was won by H. L. Reynolds, Reg Bailey, Al Chamberlain and Charles Matthews. Other games which amused the contestants and spectators alike were a "boys' cracker eating contest" won by William Panella; a "girls' spoon and egg race" won by Shirley Anselmo; a "Ladies' shoe kicking contest" by Betty Chamberlain and a "men's cork race" won by Bill Wolford.

As the feature entertainment of the evening, George Bailey was introduced by the program chairman, and kept the crowd perplexed and delighted with his "camera mind" memory and his sleight-of-hand. After taking the names of 100 people, Mr. Bailey was able to name those people correctly and without hesitation.

Committee Members

Those who served on the committee were Reg Bailey, general chairman; Mrs. Margaret Kennedy, table; Abe Marks, coffee; Paul Rowland, publicity; and P. A. system; Wes Mann, sports; Reba Sines and Bertha Campbell, registration; H. L. Reynolds, program.

Trying For 1000 County Delegates

Four Sunday Schools Send In Checks For Delegate Quotas For Convention

The First United Presbyterian and the Second Baptist of this city, and the New Wilmington U. P. and the East Brook Methodist of Wilmington District, sent in checks for quotas of registrations for the 84th annual convention of the Pennsylvania State Sabbath School Association, to be held at the Cathedral and conveniently located churches, New Castle, October 8th to 11th. The goal of 1,000 delegates from Lawrence County has not been met as yet, but as there are a number of churches and Sunday schools to be heard from, those in charge believe that this will be taken care of before the last of this month.

Early in September the matter of securing homes for the entertainment of delegates from all over Pennsylvania, will be taken up. New Castle has the reputation for being a hospitable city, and its residents enjoy having good Christian delegates in their homes for the three days of the convention. The delegates pay a stipulated amount for each night's lodging and breakfast. The entertainment cards will be placed in the churches of the city where the names of those wishing to entertain delegates and the number of delegates each home will accommodate, will be ascertained.

Photographs of the Cathedral were mailed to the State Association this week, to be used on the front cover of the next issue of the Pennsylvania Herald, as well as on Convention Programs and Hand Books.

No. 2 Mine Series Will Close Sunday

There will be a service Sunday morning, at 11 o'clock and another at 7:30 p. m., which will be the concluding address of Rev. Gamble.

which is formal male attire up to 6 p. m. After 6 p. m. men of the wedding party should wear formal evening clothes (swallow tail coats, white ties, etc.) when the wedding is formal and dinner jackets (tuxedos) when the bride wears dinner clothes. It is permissible for the groom and his best man, if you are not sticklers for perfection, to wear dark business suits even though you wear a long afternoon dress. But morning clothes in a wedding of this type make a prettier picture at a morning or afternoon wedding.

As the name indicates, the bachelor dinner is a party given by the bridegroom the last during his bachelor days. So it is permissible for a bachelor to give such a party, regardless of the status of his bride-to-be.

You may walk up the aisle with your father and be given away by him, just as you were at your first wedding. You may, if you are mature and prefer to do so, walk alone and meet the groom at the altar; or if you will have a small wedding with only relatives present, you may walk up with the groom. Only one attendant (maid or matron of honor) is permissible for you. You may have a reception. Usually a widow or divorcee has as guests only her relatives and closest friends.

JOHNSON BRONZE Annual Picnic

Saturday, August 24th

On Saturday, August 24th, the Employees of Johnson Bronze and their families will hold their Annual Picnic at Cascade Park. This event is sponsored by the Johnson Bronze Employees Association. The various committees have worked hard and long to insure a completely successful affair.

There will be plenty of fun for young and old. There will be free rides for the kiddies and free refreshments for all. All types of contests will be held.

When there is a contest there must be a prize. The merchants of New Castle and vicinity have been more than generous in donating valuable and serviceable gifts of every description.

Originally, we intended to display this collection of prizes . . . but we could not secure a window large enough to hold all the gifts. However, every item will be on display at the picnic site. Each prize will bear the donor's name.

The officers and members of the Johnson Bronze Employees Association take this opportunity to express their sincere gratitude and appreciation to the merchants and business men of our locality who have so generously assisted them in making the Annual Picnic a complete success and a memorable affair.

she will dislike, be sure first you are reasonable and right. If you have any doubts that your reason is not obvious to her, state it first in a few words. Then announce your decision or command once and say no more about it. If she talks back, be deaf.

If She Refuses

In case she refuses or hesitates to accept your decision or obey your command, calmly announce in the fewest possible words a time limit and exactly what the penalty otherwise will be. Then make good your word. I wish parents would not let their children put them on

the witness stand if they were criminals every time they make a decision contrary to these children's wishes, though such seems to be the American way of family life.

The one thing you certainly cannot afford to do is to jaw and go around mad. That puts you in a very childish category. Always consider first your resources before announcing any decision likely to be met unfavorably by the child, be he ten or sixteen. Say nothing at all if you know your control is bank-

rupt. Shut up or put up. By all means shut up. Be too grown-up to wage word-battles with your child.

CANDIDATE RICE ADVOCATES HIGHER TEACHER SALARIES

LOCK HAVEN, Pa., Aug. 17.—(INS)—John S. Rice, Democratic gubernatorial candidate, today favored increased salaries for teachers to assure sufficient instructors. Speaking at a meeting at Lock

Haven, Rice said the national average teachers' salary was \$1750 a year, about \$35 a week, and emphasized "there are thousands of teachers right here in Pennsylvania who aren't making \$35 a week."

"I favor increased salaries for teachers not merely to give them a standard of living proper for their profession but to make possible an adequate supply of well-trained teachers who will be professionally equipped to give our children the best education possible," Rice said.

Truck Loads of Vitamins Delivered to Your Door

Our knowledge of vitamins is scanty, to say the least. What they look like, what color they are, or if they travel in packs is beyond us. But we do know that fresh fruits and vegetables are full of them, and the quicker the fruit and vegetables get from the field to your table, the better the vitamins are.

Because of motor trucks, fresh fruits and vegetables are moved with speed from producer to consumer. From one Florida market 50 kinds of fresh fruits and vegetables go to 26 states by motor truck. In the large cities as much as 81 per cent of all fresh fruits and vegetables arrive by truck.

And from this county, you can see truck loads of vitamin rich vegetables headed out every morning for the markets. Truck loads of vitamins, packaged in beans and tomatoes and carrots, and all their relations.

Badly Tangled In Marital Tape

**Eighteen Years Of Age, For-
got Former Marriage
And Now Wants
Untangled**

MIAMI, Fla., Aug. 17.—(INS)—Mrs. Elmer O'Neal Weeks Barrientes, 34, who was 18 when she married her first husband, appealed to circuit court in Miami Friday to untangle her confused marital affairs.

Mrs. Barrientes, seeking to assume a legal single status, told the court Thursday that she deserted her first husband and child, married another man who left her, and then married an army sergeant who now refuses to live with her.

Her last two trips to the altar, she said, were without benefit of divorce and only the fact the ceremonies were not performed in Florida saves her from a bigamy charge.

The girl's petition said she was 14 when she married Eddie O'Neal in Miami during the summer of 1924.

Two years later she left him and went to Augusta, Ga., where she met and married, after two days acquaintance, 40-year-old James Weeks. He left her after 16 days when he became involved in trouble with the police, the suit declared.

Three months passed and she assumed the name of Sena Van Bolhouse and married Sgt. Pablo Barrientes of Anton, Tex., who was sent overseas within a short time and refused to return to his wife when he learned of the other two marriages.

Mrs. Barrientes' first husband obtained a divorce last year and was given custody of their son.

The 18-year-old girl's attorney asked the court to declare null and void his client's two later marriages so she can assume a single status "in case she should want to marry again."

PUERTO RICANS

**MAY SOLVE FARM
HAND SHORTAGES**

CHALFONTE, Pa., Aug. 17.—(INS)—Farmers from Chalfonte and the nearby communities are seeking a solution to the present labor shortage by importing 100 Puerto Rican farm hands.

The men will live at the George Washington boys camp and work on various tomato farms in the area. All the men are experienced farm workers and receive a minimum wage of 50 cents an hour.

RESUME EFFORTS TO HALT DUQUESNE LIGHT CO. STRIKE

PITTSBURGH, Aug. 17.—(INS)—Negotiations will be resumed Monday by the Duquesne Light company and its independent union in an effort to avert a threatened strike of the utility employees set for sometime next month.

George Mueller, president of the union, said that the outlook for immediate settlement of the wage dispute "looks bad" and contended that the company refused to bargain in good faith.

Charles Kutz, federal labor conciliator, and William Gray, state labor mediator, have discussed contract terms with both Mueller and the utility company, but withheld comment.

Soviet Assails

**U. S. And British
Merger Of Zones**

LONDON, Aug. 17.—(INS)—A Soviet radio commentator assailed the economic merger of the British and American zones of Germany today as the "first step toward the formation of an anti-Soviet western bloc."

The commentator, Mikhail Mikhalov, did not add that the French and Soviets were also invited to join this economic union.

LONDON, Aug. 17.—(INS)—The Daily Mail reported today that German officers and technicians were leaving the British zone of occupation to take jobs in factories and laboratories in the Soviet zone of Germany.

The newspaper said the German Communist party has been recruiting specialized personnel for Russian-managed plants.

It added that British occupation officials have ordered registration of officers and technicians at police stations to halt their movement. The newspaper said the Russians especially were interested in experts on U-boats, torpedoes and mines.

RAGING TYPHOON

LASHES IWO JIMA

TOKYO, Aug. 17.—(INS)—Army weather officers said today that a raging typhoon heading towards Japan has lashed Iwo Jima and destroyed 85 per cent of the buildings on the historic island battlefield.

It was reported that all local about 750 miles south of Tokyo were destroyed. There were no reports of casualties.

Officers expected the typhoon to reach Japan Sunday but said it has already begun to slacken in velocity.

SCOTT'S SCRAP BOOK

By R. J. SCOTT

Around Hollywood

By JOHN TODD

(By International News Service)

HOLLYWOOD, Aug. 17.—Husky and handsome Jim Davis, who may some day rival Clark Gable, has turned to the quiet and simple life.

Said Jim with emphasis: "I haven't been inside a night club in four months. I've taken up golf instead."

Jim, the pride of Dearborn, Mo., was sitting next to your anemic reporter at an M-G-M luncheon table, his whole bronzed 6 foot, two inch 200-pound body exuding bounding health.

"Yeah," said Jim, while he eyed Marie MacDonald across the table. "I never felt better in my life."

"No more night clubs for me. It seems like it may be the thing to do—go to spots where you see everybody and everybody sees you—but I've had enough of that."

"I'd rather be seen, and see everybody, on a golf course. There's no percentage to this night club business. You take a girl to this place or that place and it costs you \$60 or \$70 for the evening—maybe more."

The chances are she doesn't give a rap about you. She goes with you hoping that maybe she'll rub elbows with Bing Crosby or somebody like that.

"About three months ago I took up golf again. I haven't played since I was a kid, about 12 years ago."

"I've been playing every day and I've got my score down now so sometimes I play in the high eighties. I'm going to keep on playing every day until we leave for Santa Cruz in a week or so."

Jim and Van Johnson are going to northern California for two months' location work on "Romance of Rosy Ridge." This is the big

break Jim has been waiting for since he resumed his screen career after his discharge from the army last fall.

Jim said: "There's one wonderful thing about golf. You feel so great when you wake up in the morning, much different than after night clubbing, as you know as well as I do."

Robert Taylor is spending some time in the dentist's chair getting a couple of teeth fixed prior to another outing junket back of Ensenada, Mexico. Thought you'd like to know the glamour clan has riches and pains, too.

The way it looks now Bob won't make another picture until next year, although a couple of scripts have been submitted to him.

In his only picture since his discharge from the navy early this year—"Undercurrent"—with Katherine Hepburn—Bob played a rather despicable character.

He wants his next one to be a tough one, too.

FOREST PRESERVE

**PHILLY WAR DEAD'S
LIVING MEMORIAL**

PHILADELPHIA, Aug. 17.—(INS)—Establishment of a "community forest" at the 6,800 acre woodland tract in Centre county has been advocated as a living memorial to Philadelphia's war dead.

The bulletin of the Pennsylvania forestry association pointed out Philadelphia already owns title to the area which is far larger than Fairmount Park.

The tract, which was at one time well-forested, now is populated by trail trees with diameters of not more than three or four inches.

Caledonia is the Latin word for Scotland.

No matter where you live or whether you have any faith in any remedy under the sun, send for this free trial. If you have suffered for a lifetime and tried everything you could learn of without relief, even if you are utterly discouraged, do not abandon hope but send today for this free trial. It will cost you nothing. Address: Frontier Asthma Co., 138-W Frontier Bldg., 402 Niagara St., Buffalo, N. Y.

Tot Releases Truck's Brakes; Causes Smashup

ATLANTIC CITY, Aug. 17.—(INS)—Little David Cavanaugh of Philadelphia isn't quite three years old—but he certainly stirred up some excitement in Atlantic City.

David's mother thought he was asleep, until she looked out the window of her summer home and saw two new wrecked automobiles, a torn up lawn and the smashed steps of a nearby house.

Little David, it seems, took a seat at the wheel of a milk wagon while the driver was making deliveries. And, no doubt he was, the boy managed to release the brakes and get the truck started.

Need we say more, except to add that little David—after doing a bang-up job worthy of a Goliath—stepped out of the truck, unharmed and unannounced.

"I want to be a milkman."
The boy's Philadelphia address is 21 W. Logan street.

*...and Your Home
is Just BEAUTIFUL!*

That's a compliment that everyone wants to hear from the lips of their departing guests. But, sadly enough, one that is not often sincerely uttered. Simply because of a household that is not inviting, that shamefacedly apologizes for its appearance.

Shabby furnishings—a worn sofa with decrepit springs and bumpy, uncomfortable seats, outmoded tables and lamps; all combine to make the visitor's first and lasting impression one of disappointment. It's so simple, really, to make your home a haven of inviting comfort and eye-pleasing attractiveness. See our large selection of furnishings and see how you too can have a charming and inviting home!

For smartly tailored, quality-built furnishings are the key to visits with friends that always end with the exclamation ... "And your home is just beautiful!"

Twins Born In Racing Ambulance

CHARLESTON, W. Va., Aug. 17.—(INS)—Charles Basham, of Charleston, today laid claim to the distinction of having the only twins born in an ambulance while enroute to a hospital.

The twins, a blonde and a brunette, were born to Mr. and Mrs. Fred Berry as the ambulance raced to the Kanawha Valley hospital in Charleston from the Berry home in nearby Montgomery.

The first twin was born a few

minutes after the ambulance left the Berry home and the second arrived just as the ambulance drove into the city limits. Both mother and daughters were reported in good condition.

Ellwood City High Football Schedule Announced

Blue And White Card Seven Foes; 53 Get Uniforms

Six Foes In Double A Class This Season; First Practice Sessions Monday

ELLWOOD CITY, Aug. 17.—Head Football Coach Thurman "Dutch" Croft, back as mentor of the Wolverines after wearing the blue of the U. S. Navy for four years, today announced the 1946 grid card for his team. The games, all of which will be night battles, are as follows:

Sept. 20, Rochester, at home.
Sept. 27, Farrell, away.
Oct. 4, open date.
Oct. 11, Aliquippa, away.
Oct. 18, Aliquippa, home.
Oct. 25, Greenville, home.
Nov. 1, Beaver Falls, away.
Nov. 8, Ambler, at home.

Wednesday about half of the squad received their physical checkups and Thursday 25 more boys reported, swelling the total to 52 aspirants. Full grid regalia was issued Thursday also, and Monday Croft, with line tutor, Howard Gills, will herd the applicants onto the practice field for the first time.

Must Rebuild Team
Croft told a News sports writer Friday that many of the 1945 team will not be around due to graduation, and a rebuilding job is afoot for this year.

Of the team that started the final game against Beaver Falls, six have won the blue and white for the last time. These losses are Chesko, at end, Young and Pagliai, tackles; Chiario, guard, and Desport and Luxemburg, backs.

The loss of Desport and Chesko will hurt the Wolverines the most. They teamed together in a sparkling pass combination. Desport being the "man under" and Chesko one of the best ends in the W. P. I. A. L. last season.

Five Regulars Back
Regulars back to form a nucleus include Sulla, an end, chunky Konyak, the submarine center, Bisceglia, husky guard, and Miller and MacDonnell, backs.
Croft said that Charles "Chuck" Mines, fullback, who was out of the 1945 season, when he broke his leg in the Zelenople opener, is back and probably will be the power boy this year.

The Ellwood mentor said that he would have a better line on the squad after they begin sessions on the field next week. Last year the Tubers won four, tied two and tied two, winning from Zelenople, Farrell, Butler and Greenville, and losing to Rochester and Beaver Falls. Glasport and Aliquippa were tied. The Wolverines scored 106 points to their opponents' 43.

No Umpires For New Wilmington-Nashua Play-Off

Because umpires of the Lawrence County Association failed to show last night, the "rubber" game between New Wilmington and Nashua had to be delayed until Monday of next week.

A crowd of over 700 persons at the New Wilmington diamond, who gathered for this important play-off, were disappointed.

Five New Castle Boys To Attend Pitt Grid Camp

McPeak, Lee, Razzano, Hadad And Lauro Will Seek Places On Panther Eleven

PITTSBURGH, Aug. 17.—(INS)—Coach Wes Fessler and 100 candidates for the University of Pittsburgh's 1945 football team will leave tomorrow for a three weeks of practice at Kiski.

Sixty-six players will start their initial season of varsity football. The remainder are holdovers from last season.

Fessler said he expected to hold two drill sessions daily at Kiski before he brings his squad back to Pittsburgh.

Five New Castle Boys
Coach Fessler is taking five New Castle young men to camp with the Pitt Panthers—all well known former New Castle high football stars—William McPeak, Sam Hadad, Tony Razzano, Robert E. "General" Lee and Lindy Lauro.

New Castle football fans will follow with interest the fortunes of the list of former local grid greats who will be trying for places on the Panther coached Panthers.

Lee, Razzano, Hadad and Lauro are ex-servicemen. McPeak was considered a regular end at Pitt last year.

Canco Golfers Look To Monday

The American Can Company Golf league will be resumed at the Castle Hills course Monday and will find the league-leading Hawks battling the second place Owls, and the Sparrows battling the Robins. It was announced by Chairman Fred "Hotshot" Williams today. The matches start at 5:30 o'clock on the tough back nine.

The feature matches for Monday will be "Canco Kid" Guido playing High-Handicap Windy Bill Ellis, captain of the Owls, and the long-hitting newcomer to the Hawks, "Byron" McConnell, battling Glen "66" Pitzer of the Owls. The Hawks are captained by G. I. Dave Speed and are bound for the second-half title. The Robins won the first half title. An interesting playoff is anticipated.

Legion All-Stars To Play Ellwood

On Monday evening, the strong American Legion Junior All-Stars will go to Ellwood City, where they will play the Ellwood City American Legion Junior team in a game which is expected to be a close and hard-fought contest.

All members of the squad have been asked by Manager Earl C. Moffat to report at the Legion Home at 4:45. A bus will leave the home at 5 o'clock carrying the team.

It is expected that a large crowd of rooters will accompany the team and take in the game.

Sunday Games In City Loop

Universals Play Rvantage At Washington, Moose And Duca D'Abuzzis Carded

Six good baseball games are on the Sunday schedule in the city baseball league. All games will start at 3 o'clock (weather allowing).

The league leading Universal A will play the Rvantage team at Washington field and hope to annex a victory, that will put them a step in the second-half pennant direction. The Potters have won 17 and lost but one to date, they will have three to play after Sunday.

Moose vs. Dukes
While the Universals are battling Rvantage at Washington field, the Moose Club currently holding second place in the league standing will have a battle on their hands at Marshall field, and if the Dukes win, the Universals win, the race for the second half will be all over. Both of these games should be well worth seeing.

Tuesday the Moose will play the Universals at Marshall field, in what may be the deciding game of the second-half race.

Other games for Sunday—Slovaks at Lee Avenue with the West Side Tigers, American Legion at Cedar street with the Lawrence indies, West Pittsburgh at South Hill, Columbus Club at Doshon Annex with the Sons of Italy.

(The schedule published last evening was the Tuesday games.)

Moose Golfers To Play Sunday In Round Robin

Local Team, Winners Of District Golf League, Will Take Part In Beaver Falls Event

Members of the New Castle golf squad will meet at the Moose home Sunday morning at 10:30 o'clock, from whence they will go to Beaver Falls to take part in the round robin tournament for members of the Western Pennsylvania Moose Golf league, of which the New Castle team is the title holder.

The tournament will take place at the Black Hawk course at Beaver Falls, arrangements for the event being in the hands of Art Prioletti of the New Castle Moose and Andy Justine of the Ellwood City Moose.

The four teams which will compete in the event are New Castle, Butler, Ellwood City and Coraopolis, who were high in the league race. The Nassau scoring system will be used, and each team has been limited to ten men.

First prize in the event is \$50, and the medalist will get \$8, on down to the fifth award of \$3.

The event will close with a banquet, to which the lady friends of golfers are invited, as well as any man who competed in the league during the season, and a record crowd is expected to take in the dinner. This will take place at Ellwood City.

MERCER COUNTY is represented on the Chicago Cubs by Tommy Jones who graduated from Brookfield high last spring. He is a right hand pitcher and attracted the eye of a scout while pitching in the Coastal Plains League, Illinois.

Fiz Rodenbaugh and Boyd Hutchison went to Chicago Friday, enroute to Sault Sainte Marie, where they will vacation a week. Although he has passed the fiftieth milestone Fiz pitched several victories this season.

Dy Williams, who handled Ray Gray some years ago, will vacation next week at Geneva-on-the-lake. Claude Wagner, Highland Heights, has returned from a fishing trip to Delta, Ont.

Al-America football conference will open September 22. Miami will open against the Browns at Cleveland. A small crowd witnessed Andy De Paul outpoint Don Harris at Farrell. Four knockouts occurred in the eight bouts.

Tip is out that Cecil P. Suber, chairman of the mayor's recreation committee has something big up his sleeve for recreationists in September.

Mercer County Kennel club will hold their annual show at the Farrell high school stadium, August 24. Five hundred dogs of all breeds may be entered.

Phil Greer spent several hours with Jack Barry, former boxer and promoter at Erie, recently. George Perotta boxed Barry in the lake for a time, headquartered in the lake.

Captain W. McKee won the Sharon Country club golf crown. He defeated Lim Myers, 7 and 5, in the 36-hole play-off.

Jack Bryan, former fight cartoonist, now caricaturist on the Sharon Herald was a recent visitor after vacationing in New Orleans.

Game Protector George Norris, Warren, Pa., says the 1946 deer season will be one of the best for several seasons.

Owen Fox has a coon at Gaston Park. "Don't feed bread to squirrels," Fox advised today, explaining: "It causes them to lose hair, and later die."

Mickey Owen, major league, who jumped to the Mexican league then hopped back into the U. S. has been banned for five years from O. B. However, he can keep busy on his 340-acre farm near Springfield, Mo.

William J. Tobin, seven years president of the Chicago Blackhawks, has taken over the ownership of the National Hockey League club. He paid \$340,000 for the stock of the late Major Frederick McLaughlin.

Having stopped Mike Ruffa, Juste Fontaine, Milwaukee, is back in the good graces of Pittsburgh fandom and will box Billy Bates in the Zivic arena, Millvale, August 26.

Always be careful of a puncher is the advice of George Chip, ex-champion middleweight, who recalled that after his bout with Mike Gibbons in Youngstown, Tom Gibbons said to Mike: Why didn't you follow up Chip when you hit him behind the ear in the ninth round? Mike replied: "Never mind about me, Tom, you'll see a chance at him. Three weeks before Gibbons fought Jack Dempsey in Shelby, Tom and Chip met. Mike handled Tom and wouldn't let him take a chance of being nailed. In other words a fighter should box a slugger."

Tubers Take First Game Of County Series; Eighth Inning Rally Wins Contest

ELLWOOD CITY, Aug. 17.—This town's indomitable Elks, with two of their regulars on the crippled list, turned back the Bessemer Cementers here last night in their opening game of the elimination round for the County League flag. The final score was 3-2.

The Freidhoff-Volpe club, trailing 2-1 going into the eighth inning, rallied to shove across the two runs that won the game. Manager Freidhoff started things with a single, and Joe Dougherty sacrificed, but was safe on an error. The locals then pulled a double steal and both runners romped home when Emery Miloser sent a pinch single into the outfield.

Cementers Had Edge
Collecting nine hits, the Cementers had the edge until the seventh inning. The Elks had drawn first blood in the first frame when Miller tallied on Friedhoff's infield out. In the fourth Glenn Stanley brought Anderson in on a single, and in the fifth Vrabie's triple and Sama's one-base sock put the Cementers in the lead.

For the losers it was "Steamer" Stanley all the way. He gave up seven hits and fanned six. Tommy Beatrice, No. 1 hurler, worked eight innings for the Elks but lost credit for the win as Ralph Ferrante was around at the finish, Beatrice being derelicted for a pinch-hitter.

Red Sox Again Defeat Yankees

Joe DiMaggio Hurt's Throwing Arm, Red Sox Lead By 13 Games

By LES CONKIN
(International News Service Sports Writer)

NEW YORK, Aug. 17.—The signs point today to a late season surge by the Braves and Tigers, with Boston aiming for third place in the National League and Detroit taking a lead on the runner-up spot in the Junior circuit.

The Braves, triumphant in 12 of their last 17 games, are confident they can get to the wire in front of the slumping Chicago Cubs. If they do, it will be their best finish in 30 years. Right now they are only two games behind the Bruins.

Boxers Defeat Yanks
The Yanks lost more than a ball game yesterday when Spud Chandler was beaten by Boston's Mickey Har- ing 4 to 1. Joe DiMaggio, the fragile star who has been suffering from physical handicaps all season, hurt his throwing arm and be on the shelf for some time.

Meanwhile Virgil Trucks of the Tigers racked up his 13th victory of the year by holding the Chicago White Sox to six hits and beating them 3 to 1.

Phillips Trip Dodgers
The Phillies, after playing dead for Brooklyn nearly all season, made it three straight victories over the Dodgers and annexed their first triumph of the season at Ebbets field when Oscar Judd held the league leaders to four hits and set them down 4 to 2.

Pistol Pete Reiser, the Brooklyn speed demon, continued his daily heroics by streaking all the way home from second base while Frank McCormick, the Philly first sacker, was arguing with the umpire over a close decision.

The strain of the pennant race is telling on St. Louis as well as Brooklyn. The Cardinals had a golden opportunity to cut Brooklyn's lead to one game, but could make only two hits of Ken Keselring in a night game with Pittsburgh and were defeated 3 to 0.

Murray Dickson of the Red Birds pitched a good game himself, holding the Bucs to six hits.

Other scheduled games were rained out.

St. Margarets, New Bedford In Another Stalemate

St. Margarets and New Bedford, embroiled in the North County loop play-off for the championship, are becoming the "no-decision" team for last night at the New Bedford diamond, they again battled to a 2-3 tie. The umpire Hartman was forced to halt the game because of darkness at the end of the eighth frame.

Bedford collected five hits from Oddi, but couldn't produce in the clutch. The Saints had but two blows off Ruby, both of them in the ninth inning.

The two clubs will try it again Sunday at 4:00 p. m. on the E and A field, and in the event of another tie will probably move indoors for the winter season. Other games of the series are slated for Monday and Tuesday, it was announced.

Legion 'Pickups' Defeat Civics

American Legion baseball team strengthened by the addition of several stars from other teams, defeated the strong East Side Civics of Youngstown in an exhibition game at Washington field last night.

The game was played before the largest crowd that has been present at Washington field this year, and they were rewarded with a fine exhibition of baseball all the way. The Civics were managed by the veteran Paul McCullough. The winning team was managed by Sheriff Frank Coen.

Forest A. C. Tops Sons Of Italy, 8-6

Finally breaking the jinx that has stopped them all season, the Forest A. C. last night topped the Sons of Italy, 8-6, at the Gaston park field.

Rhodes was the winning pitcher, with Capp the loser. Hitting honors in the game went to Mazzari of the Forests, who clouted a homer with two mates aboard. Cooper chimed in with a triple.

Frankie Coppel paced the losers' attack, whamming out a trio of singles.

Score by innings:
Forest A. C. 002 400 11—8 10 1
Sons of Italy 200 200 200—6 10 3
Batteries: Forest A. C.—Rhodes and Fornataro. Son of Italy—Capp and Santangelo.

Spencers Top Vets, 6-3
With "Fatty" Headland twirling a three-hit game the Spencers of the City Softball league defeated the V. F. W. team on last night at Leigh field, 6-3.

The boys in blue didn't put in an appearance last night at the New Galilee field, and so the game between the "Hot Tots" and the Wampum Legion had to be postponed. The two clubs will begin their elimination series Sunday at the Wampum field, it was announced.

Frank Powell is expected to be on the hill for the Legion, with Bobby Clerici doing the flunking for the "Tots".

Home Made Auto Repairs Aren't Like Home Cooking

No one ever made an apple pie like Mom, or turned out a tasty stew just like hers. Home cooking takes the genius of mothers and not even famous chefs try to compete with her.

But home made automobile repairs are another thing. Dad, or your Uncle Oscar or your brother-in-law Terwilliger might know a stilton wrench from a cotter key but they probably don't have the know-how to diagnose and cure automotive ills.

It takes training and skill and experience. That trio has its headquarters in our shop.

Four Regulars Are Left From 1945 High Team

Initial Call Friday Night Results In 100 Boys Reporting To Bridenbaugh

Faced with perhaps as tough a schedule as any New Castle high football team has ever faced, Coach Philip H. Bridenbaugh starts his 24th year as head football man at New Castle High Monday morning at 10 o'clock at the stadium with the slimmest group of holdover lettermen he has ever had—four, to be more specific.

The initial call last night resulted in about 100 boys showing up. There were 24 holdovers from last year with experience. It is going to be a gigantic undertaking to get the 1946 edition of the "Red Hurricane" ready for the grueling task it faces.

Seven Places Wide Open
There are definitely seven places open on the first team—that is, taking into consideration that the four letter winners from last year can make the varsity again. They are Eugene Gribble, a quarterback; Lou Gilmore, a halfback; Al Tate, a tackle, and John DeCola, a tackle.

A wealth of fine looking material is available this year from the two junior highs—Franklin and Washington. It may be that a few of the newcomers can win varsity jobs, providing they have the aggressiveness and ability.

Holdovers Listed
Following is a list of the 24 holdovers: Gribble, Gilmore, Tate, DeCola, Richards, Allison, Dean, Peluso, Clause, Cude, Brown, Wick, Izzo, Lucidore, Angelo, Stoner, Clavell, Navarra, Ferris, Rowland, Zeigler, Shof, Zarone, Duran, Gen- tile. Besides the four regulars a great many of the holdovers saw action during the 1945 season.

The team will practice at the stadium Monday, Tuesday and Wednesday and then go to Fred L. Rentz "Y" camp Thursday morning. Faculty Manager Robert M. Mills will have the camp ready for occupancy, he stated. Just how many will get to go to camp has not as yet been decided.

CIVICS MEET H.P.R.'S
Union Civics will meet the H.P.R. club Sunday at the Union High school field, beginning at 3 p. m. The H.P.R.'s are undefeated and a large turnout is expected to witness the game.

Cleveland To

Mike Hudak Didn't Believe In

Savings Gone

CLEVELAND, Aug. 17.—(INS)—Because Mike Hudak believed banks were not safe places to store money, he was minus \$8,000 today.

The 68-year-old Cleveland had kept that much money—his savings over the last seven years—as a sweeper in a factory—locked up in a trunk on the back porch of his home.

Hudak, who said the theft occurred either Saturday night or Sunday morning, waited until yesterday to report the theft to police because "I thought maybe they would bring the money back."

As a matter of fact, a bank pass book, with \$3,199 in deposits, was returned by mail to Hudak by the thieves. It was postmarked Lorain, O.

Hudak said he kept the money in a trunk because he thought the banks could be robbed more easily.

G. I. Loans Here Leading Nation

Two Loan Institutions Here
Alone Have Secured Two
And A Half Millions

LOANS AVERAGE OVER \$4,000 HERE

Are the veterans of Lawrence county taking advantage of the loan privileges accorded them under the G. I. Bill of Rights, and are many loans coming through? Indeed they are, and right now close to three million dollars have been loaned through local institutions, the local area leading the nation, Worrell M. Jones, head of the local Veterans Bureau office, states.

An inquiry at two of the leading savings and loan associations this week uncovered some interesting statistics.

The one institution stated that to date, they have closed 340 loans, with a number of additional ones pending. The average amount of the loan at this institution totals \$4,980 and the average purchase price on which they are borrowing totals \$5,190. The average maturity of the loans is 30.75 years, and the total amount loaned to date is \$1,693,300. The total number of applications here to date is 697.

Close 150
At the other institution, 150 G. I. loans have been closed, the average amount of the loan being \$4,160 and the purchase price is \$4,340. The average maturity date of the loans is 18.66 years, and the total of the loans amounts to around \$900,000. At this institution the applications number 310.

Thus it will be seen that through these two loan associations, over \$2,500,000 has been secured by veterans of World War Two in this community alone, and the additional amounts secured through other institutions would bring the figure close to \$3,000,000 it is believed.

This huge sum is going into the purchase of businesses, farms and homes.

Under the terms of the act, veterans who have had at least 90 days of service, or if less, have become disabled in line of duty and have other than a dishonorable discharge,

can secure loans for businesses, farms and homes, purchase of equipment and supplies, for stock and farm machinery, tools, or the improvement of buildings.

The government guarantees up to \$4,000 on farm and home loans, and up to \$2,000 on the purchase of businesses, on which the veteran pays four per cent interest. No interest is paid on the guaranteed amount of the loan during the first year.

The veteran has 25 years in which to repay the loan.

Woman, Aged 80, Recalls Elopement

PITTSBURGH, Aug. 17.—(INS)—Mrs. C. W. Hamilton of Pittsburgh is one woman who doesn't chuck her tongue against her teeth (as many people do) when she hears of a couple eloping.

For it was sixty four years ago that Mrs. Hamilton, then pretty and 17-year-old Linda Dunn ran off and married 19-year-old C. W. Hamilton.

Recently the lovely old lady, now 83, and her husband, who is 83, celebrated their 64th wedding anniversary in the home of one of her three sons, Thomas, also of Pittsburgh.

She recalls her wedding day as "if it were yesterday."

"I met my husband," she laughed, "when we were both playing in a dance orchestra. I played the organ and he played the fiddle."

"One day he came along in his horse and buggy and took me for a ride. In our journey we passed the Presbyterian church in Washington and . . . well, we were married."

"It rained on us coming back from church. I remember I hid the marriage certificate, but my father found it and threatened to have the preacher arrested. He never did, though."

Hill School Reunion Planned For Aug. 24

Plans Belated Golden Wedding In Native Belgium

PITTSBURGH, Aug. 17.—(INS)—Mrs. Leonard Desmet, Sr., of Cecil, Pa., belatedly will spend her golden wedding anniversary in her native Belgium.

There she will visit for two months with her sister and three brothers whom she hasn't seen for 40 years.

The trip is a gift from her husband, who started his career in America as a coal miner and now is the head of a successful lumber firm.

Actually, the couple celebrated their 50 years of marriage last year but an illness in the family caused cancellation of the proposed trip.

And in 1941, Mrs. Desmet, now 70 years young, planned to go back to Belgium to visit her mother who since has passed on. But the war intervened.

Now she is going to fly. She'll plane from here to New York and then catch one of the huge airliners to Paris and then Belgium. From there she'll take the train to Charleroi—her family home.
